Things To Know

- The topics will change as close to the times given on the schedule as possible.
- **Everyone is invited to any of the sessions.** You can just come in and listen if you like.
- Spend some time talking with coworkers and thinking about some ideas for how technology can help you in the future.
- **No idea is too crazy.** Come with any and all ideas and be ready to share.
- If you have an idea after the summit, please continue to share them with Network Services and the Technology Advisory Committee.
- You can find up-to-date information on times and locations at <http://kb.mlc-wels.edu/mits>.
